## ~ *Enjoying the Moments* ~

I can't believe how much fun we have had so far this year!! We have already been so many places and learned so many things by traveling "Around the World in 80 Days," exploring Australia, browsing the streets of Eldora and enjoying a movie with a "Dog", touring around Omaha and Council Bluffs, swaying to the music of the Ozarks in spring-time, and jumping on board the Ark.

On a personal side, Gale and I have thoroughly been enjoying our newest granddaughter, who joined our family in December. Our precious Freya joins her other 5 cousins to bring us lots of fun, laughs, and special family times we

cherish. Gale retired from the hospital therapy department, at the end of June. He has enjoyed working with so many in the area these past 27 ½ years. I am excited to let you all know that at the end of October I am retiring from my receptionist duties at the bank. But don't worry, I will continue to be the Millennium Club Director. This will give me more time to focus, plan and investigate new and exciting places to experience with our group.

Amy Egger, pictured above with me, has joined our team and will be the new receptionist full time in October. You may see her around the bank now training and learning all the tasks and duties each department covers. Many of you will recognize her face from her position at the Coffee Attic, working as a barista. I know you will welcome her, and enjoy her smile. She is a sweet gal and is eager to meet each of you. Amy will also help you sign up for trips, help with payments and trip details. I will have an office upstairs and will be working from there part time. Don't hesitate to call or stop in to see me. I will utilize the stairs as a form of healthy exercise, so let me know when you are in the bank and want to see me and I will sure stop down to visit. I am excited to continue being the Millennium Club Director, rather than totally retire...I'm too young for that!

This letter is filled with many new adventures for us to look forward to together. Please call the bank 641-648-5171 and get signed up right away. Our trips and events will fill up fast! We are so fortunate to be able to continue to travel together.

See you soon!

Sincerely,

*Kathy Bengtson*
